ABOUT ME

Business Relationship Manager at CompileQ with a proven track record of leading strategic, tech-driven initiatives that boost client satisfaction and business growth. I specialize in cross-functional collaboration, ethical leadership, and turning complex challenges into clear, actionable solutions. My work blends project planning, stakeholder management, and data-backed decision-making to consistently exceed expectations. I thrive in dynamic environments, empowering teams to innovate, adapt, and deliver measurable results. Energetic, accountable, and future-focused, I bring a progressive mindset to every partnership I build. I don't just manage relationships, I cultivate trust, spark innovation, and turn vision into velocity.

EXPERIENCE

Business Relationship Manager • **CompileQ** (Mar 2024 - Present)

Developed client engagement strategies that forged partnerships and drove client-centric solutions. Led cross-functional teams to deliver projects on time and within budget, elevating quality and achieving growth with 50% increase in customer satisfaction and retention, plus 25% in HR retention. Combined strategic insight with financial prudence and branding to align execution with company's values of excellence, trust, and sustainable development.

Project Manager • **CompileQ** (Aug 2023 - Feb 2024)

Implemented project management methodologies that optimized workflows and mitigated risks, ensuring projects were delivered on time and within budget with 50% improved efficiency. Led diverse, cross-functional teams to exceed performance targets and enhance operational efficiency.

Administrative Assistant • **Qamla Ltd** (Jan 2022 - July 2023)

Streamlined administrative operations at Qamla by coordinating scheduling, documentation, and communications, ensuring seamless office environment with 30% streamlined communication and 25% smoother administration. Delivered support that enhanced team productivity and fostered collaboration while driving process improvements.

Tutor (English and Science) • **AB's Edulab** (Jan 2017 - Aug 2022)

Provided targeted coaching for school, college, and university admission students in English and science, adapting instruction to diverse learning needs. Supported learners through high-stakes exam preparation by building confidence, structuring revision, and improving understanding. Developed strong communication, patience, and mentoring skills through measurable student progress over time.

EDUCATION

B. Engg. in Educational Technology and Engineering

Attended an interdisciplinary program covering Education, Technology, Business, and psychological methodologies. Emphasis was placed on integrated learning, strategic thinking, and holistic development, equipping students with versatile skills for modern challenges and 4th industrial revolution.

CGPA 3.4

Bangladesh University of Frontier Technology

Courses Taken

Pursued professional development across leadership, negotiation, design, marketing, AI and cloud technologies. Complemented this with training in Project Management and International Business, further enhancing my ability to lead strategic, cross-cultural, and technology-driven initiatives.

2022 - 2026

Coursera, Wadhwani, AWS, Apollo, EdX
